BREED Jsy,Frsn Jsy X,Frsn	TALLY 296	BW 227	PW 250	GENETICS No
-------------------------------------	---------------------	------------------	------------------	-----------------------

Once a day cows of very steep cold farm. Cows will shift anywhere farms don't come much harder. Nice medium sized cows with good udders, can split Jsy content off with price adjustment. Half the herd has been DNA and has a lot of potential.

Stock data
